ADDRESS:

Z.I. Gresal, 5/e
32036 Sedico

WE ARE THE ORGANIZATION THAT:

- We are promoting the networking/aggregation among different subjects (public and private), education (wood-carpentry school, work safety) and project management;
- Our field of specialization are: wood and forest sector, education, tourism, agriculture in mountainous regions, project management;
- We are recognized and certified from the public;
- We are present and active among few international cooperation projects (INTERREG), associations (Euromontana) and others;

WHAT I WANT TO GET OUT OF THE NETWORK:

Contacts for potential partners for future cooperation, especially in the wood sector and touristic development.
