WE ARE THE ORGANIZATION THAT:

- our specialization is digitalization support to SMEs;
- the main target are individual SMEs and industrial clusters that are active in the digital transformation of the industrial sectors in the Dél-Alföld region;
- the best offers are on-line knowledge base about digitalization and international best practice by European SMEs;
- our major success factors are participation in European networks (EURADA, TCI, TII, etc.) and cross-border cooperation between Digital Innovation Hubs;
- we are regular participant at international events.

WHAT I WANT TO GET OUT OF THE NETWORK:

- possible cooperation with regional observatories in other countries;
