WE ARE THE ORGANIZATION THAT:

- Our specializations are research management, strategy development, intellectual capital reporting, quality management and consulting;
- Our main target is our own University of Applied Sciences, but also other (international) organisations, such as Universities, companies and policy institutions;
- Our best offer is support with the development, quality management of applied R&D programs, funds, organisations;
- Our strength is international expertise and advanced experience in international activities;

WHAT I WANT TO GET OUT OF THE NETWORK:

- International contacts for further cooperations;

Interreg 
CENTRAL EUROPE European Union
European Regional
Development Fund
