mienk.eu

WE ARE THE ORGANIZATION THAT:

- our specialization is digitalization in the construction industry;
- the main target are architects and real estate developers as well as construction companies for industrial buildings;
- our best offers are connected to the Building Information Management (BIM) in cooperation with German partners
- we are open for innovation and collaboration with foreign partners;
- we are regular participant at international events;

ADDRESS:

6000 Kecskemét
Izsáki út 8.

WHAT I WANT TO GET OUT OF THE NETWORK:

- new contacts to clusters or business support organisations that are active in construction sector;
