## WHAT I WANT TO GET OUT OF THE NETWORK:

- Getting new business connections;
- maybe cooperation in R&D areas;
- learn about Austrian support instruments for SME;

## WE ARE THE ORGANIZATION THAT:

- connects the creative and ambitious stakeholders from multiple helix in order to foster the growth of innovative companies;
- the national coordinator of strategic research innovation partnership SRIP Health Medicine with 54 members from academia, big companies, SME and NGO, with six focus areas, where Slovenia has globally competitive knowledge, like cancer treatment, stem cell treatment, biopharmaceutics;
- a member of TIM life sciences cluster, we are a member of Personalized medicine platform S3P4PM and Vanguard initiative MedTech;
